## Invitation

All of us at the Rasmussen Farms went to welcome you to our Eighth Annual Production Sale of Registered Shorthorns. With this offering we feel we have to a large degree obtained our goal of offering to you Registered Scotch Shorthorn breeders and Commercial men both females and bulls that will fill your demand in quality and breeding of beef type Shorthorns.

The entire offering, with the exception of the Schutjer cattle were bred on our farms. The heifers and bulls sired by our outstanding herd bulls indicate that the money spent for sires really was money well invested. We spared no money to get the breeding and quality of bulls and females we felt would be outstanding not only for top quality and pedigree but definitely Beef Type. This also goes for G.J. Schutjer cattle. He has bought most of his cattle from us for foundation cattle and all his bulls for many years.

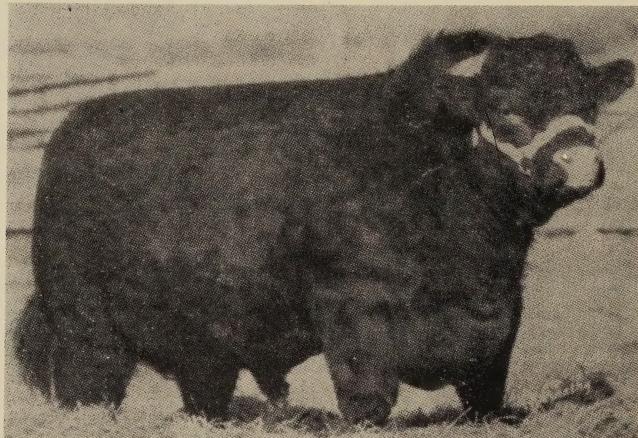

Our cow herd we feel is second to none for production plus quality. On the younger offering there will be some short service dates so we want our buyers to know we will keep them on the farm until they are settled before they take them home. Anyone buying open heifers and wanting them mated before taking them home can make arrangements with us before the Sale.

All the older heifers on the Sale are long time bred and showing well forward in calf.
